👤 PROFESSIONAL SUMMARY

Aspiring Cyber Security Intern and 3rd year M.Tech CSE student at Excel Engineering College .
Cybersecurity Intern with a strong interest in Cybersecurity and Vulnerability Management. Skilled in Linux and Windows environments, networking fundamentals, and vulnerability analysis. Motivated to apply security knowledge in real-world environments and actively seeking an internship opportunity to support organizational security and risk reduction

🖥 PROJECTS & PRACTICAL EXPERIENCE

Practical Experience

Other College and Own Projects

- KPR DevSpark'25 – 24-Hour Hackathon
  E-Commerce Honeypot Project
  Built an e-commerce honeypot to capture and analyze attacker behavior.
  Analyzed attack logs to identify threats and intrusion patterns.
- Mini SOC Lab
  Implemented a basic SOC setup for log monitoring and incident analysis.
- Vulnerability Assessment & Scanning
  Identified system and network vulnerabilities using scanning tools and documented findings.
- Network Traffic Analysis (Wireshark)
  Analyzed network packets to detect suspicious and anomalous traffic.
- SIEM – Log Analysis & Alerting
  Performed log correlation and created alerts for potential security incidents.
- Web Application Security Testing
  Tested web applications for common vulnerabilities like SQLi and XSS.

👩‍🎓 EDUCATION

Master of Technology in Computer science and Engineering

Excel Engineering College (Autonomous),Namakkal

Focused on network security, ethical hacking, and information assurance.

💡 SKILLS

Operating System SIEM Monitoring & Log Analysis	Networking Incident Detection & Response	Security Tools(SIEM Platforms, Wireshark, Nmap, Vulnerability Scanners, Kali Linux)	Threat Detection & Analysis Security Documentation & Reporting

⭐ CERTIFICATE

- Cyber Defenders 101 - Cybersecurity FastTrack Training - Infosec.

⭐ CERTIFICATE

⭐ Cybersecurity-Tech Mahindra Foundation(Skill India Digital Hub).

⭐ Cybersecurity & Ethical Hacking 42hrs Training- CAPRICIOSEC UNIVERSITY .

⭐ Cybersecurity - Cisco NetAcad Certificate.
